Acme Robotics Employee Handbook.
Section 1: Working arrangements.
Employees may work remotely up to three days per week.
Remote work must be approved by a direct manager.
Full-time staff receive 24 days of paid annual leave per year.
Parental leave is 16 weeks at full pay for all new parents.

Section 2: IT and security.
Passwords must be changed every 90 days.
A VPN connection is required when accessing internal systems from outside the office.
All laptops use full-disk encryption.
Report phishing emails to the security team at security@acme.example.

Section 3: Incident response on the warehouse floor.
Error code ZX-4471 indicates that the conveyor safety interlock tripped.
When ZX-4471 appears, stop the line and call the on-site safety officer.
Error code ZX-4480 indicates battery overheating in a mobile robot.
When ZX-4480 appears, evacuate the charging bay immediately.

Section 4: Expenses.
The equipment budget for each new hire is 1500 US dollars.
The meal allowance while travelling is 45 US dollars per day.
Expense claims must be submitted within 30 days.
